Declaration:

I/we understand: the ADSL plan and hardware option I/we have selected; prices quoted are for self installation with telephone support; a minimum of 5 working days is required for service connection to be completed (unless otherwise notified) and that connection time also depends on port availability at the exchange; each DSL account is only for use at the premises as indicated on this application and that each account is not transportable unless moving premises; all services provided by Saco Technology must be paid for in advance except by written agreement with Saco Technology management. If an account is not in credit the account may be disconnected at the discretion of Saco Technology; all accounts must be paid by Credit Card or Direct Debit except where there is prior written agreement with Saco Technology. I/we have read and understood Saco Technology's General Terms & Conditions, Saco Technology ADSL Terms & Conditions and Saco Technology's Phone Terms & Conditions (found on our Web Site or provided to me/us by a Saco Technology representative at my/our request) and agree to abide by them. I/we also verify being over the age of 18.
